

The McEwan Gallery

Royal Deeside

46th Annual Summer Exhibition

Opens Saturday August 22

Monday–Saturday 10am–6pm Sunday 2–6pm (Summer)

Also out of hours – by appointment

Given the current circumstances, which remain subject to change, we will be observing government guidelines and making sure the safety of our visitors is paramount. No private view this year but the Gallery will be open as usual while observing social distancing procedures.

There will be a hand sanitiser dispenser at the front door together with a ready supply of fresh masks. Thank you in advance for your forbearance in these unprecedented times. If you prefer to visit outwith advertised hours then please ring us for an appointment.

The Gallery has just launched a brand new website, which enables us to bring you art in exciting new ways. If you'd like to keep up-to-date with latest arrivals there is an option to register for our online communiqués. We will continue to post our popular series of short videos highlighting the Gallery's traditional Scottish paintings, as well as exploring the work of our contemporary artists.

All items are for sale on receipt of the brochure, with many more to view on the new website. The artists are contemporary unless followed by dates, and the pictures are in oil unless otherwise stated.
